

**Title:** Who Moved My Cheese?

**Author:** Spencer Johnson M.D

**Publisher:** Vermillion

**ISBN:** 0-0918-1697-1

**Recommended by** Mr W. C. Lee

### **Summary:**

This book describes four characters who look for cheese in a maze. Cheese is the metaphor for something you dream about such as fame and fortune. The maze is the metaphor for the place where you try to make your dream come true, for example, the family, the office or society.

There are different unforeseen changes facing the characters. One of the characters is able to tackle the change and writes on the wall his experience. The next character who reads that can deal with changes without a hitch.

### **Reasons of Recommendation:**

The story is inspiring and can possibly enlighten readers in some way. It is more suitable for young people who are fond of challenges in reading and especially good for those with solid exposure in specific areas.
